- ❖ Summary of October 12, 2020 approved as presented.
- ❖ Dr. Washington reviewed Key Performance Indicators (KPI) new guidelines.
- ❖ Evan Pauken presented a Power Point on Key Performance Indicators: Through the Lens of Equity. The group looked at and discussed: How can we improve disaggregate? Where do we have the most substantial equity gaps? What surprised you? What opportunities exist given the data at hand? How do you see yourself, your department and/or your unit collaborating with others to address these equity gaps? Sketch of the KPI development process and working together cross departmentally.
