 - g. Hoping to have various areas sponsored by different companies (ie Toyota) with signage.
 - h. KVCC would like to partner with dealers to provide training on site to dealers and KVCC instructors on new equipment
 - i. Action plan timeline to be established in the spring of 2022

VII. CTE Program Resources, Facilities, and Equipment

KRESA CTE Center-Cindy made announcements of the donation and plans. Matt showed some photos of the auto lab at Cherry Creek and talked about his experiences with the design charettes. He is very excited about the plans and the partnership between the entire community. Matt and Cindy discussed the “Never go dark” plans to have the CTE Center being used by business and industry and community members when school is not is session for training, car shows, etc . . .

- a. Site location announcement- I-94 and Sprinkle Road, adjacent to Wings Stadium
- b. Expected to open in fall 2024
- c. Course recommendations sheet was shared and discussed. Great need for Heavy Diesel
- d. Curriculum/Facility Design Group
 - a. Larry recommended that CTE look at ICar for certifications and trainings for Collision. “Collision Repair Education Foundation”
 - b. Bob recommended working with different manufacturers to sponsor equipment (Hunter, Snap-On, Napa etc . . .)
- e. Matt provided his budget documentation

VIII. Industry Trends Discussion of upcoming need for instructors in the field as both KVCC and KRESA

- IX. Program Update (Instructor) Matt shared a number of updates:
- a. Curriculum
New instructor Richie Sackett at Loy Norrix replaced Jim Leander who retired at the end of the last school year.
Still looking for a technical assistant for the class. A great opportunity for someone to share their knowledge and skills with young people. Follows a school schedule.
 - b. Student Leadership Development/CTSO
 - a. SEMA project car Toyota
 - b. Skills competition
 - c. Auto Rama field trip
 - c. Work Based Learning
 - a. Students working in different shops, including Vicksburg schools' transportation department
 - d. Industry Certifications
 - a. ASE entry level for students in MLR
 - b. Will be offering a re-take opportunity this year
 - c. As they move into the center, looking forward to more advance certification options
 - d. Program Accreditation time
 - i. Both programs need 4 volunteers to come to do the program evaluations- Matt needs full renewal and Richie is up for 2.5 year review
- X. Important Dates
- a. CTE/EFA/EMC Open House – February 8, 2022
 - b. Spring Joint Advisory Committee Meeting – Date TBD
 - c. MiCareer Quest SW – May 17 and 18, 2022
- XI. Advisory Policy Changes at KVCC
- e. Dates will be pre-determined so that other KVCC staff can attend the meetings
 - f. **Next meeting March 3, 2022 5:30 PM** If you can't get here right at 5:30, please just come when you can . We want you to be here.
Fall 2022 meeting will be November 3, 2022

- g. KVCC will be sending an email to confirm your contact information and continued interest in participating in the advisory committee. Please keep an eye out for that and respond. We want to keep this committee full and active.

Thank you very much for coming in person this evening to help support our programs. It is great to see everyone!
