### Continue Discussion on Institutional Planning/Strategic Issues

The Cabinet continued its discussion on Institutional Planning and Strategic Issues in preparation for the September Board meeting. Do these strategic issues help us move us where we want to be going the next couple of years? The four strategic issues were reviewed and revised and strategic issue #4 was eliminated; it was regarded an operational/management issue. A revised document will be shared at the next Cabinet meeting.

The Cabinet reviewed two scenarios for increasing tuition and fees for the next six years to help move KVCC closer to the state average for CHES for tuition and fees.

The next Cabinet discussion will include suggestions as to what we would do with the additional money if one of the tuition/fees scenarios is implemented.
