Meeting Minutes

Committee Members Present: Chris Pruis, Joanna Pozzuto, Taylor Birkholz, Lauren Prister, Amy Longcore, Kelly Digby, Ashleigh Quinones, Amy Murray, Dee Loucks, Susan Pearson, Cynthia Schauer

Guest Present: Louis Thomas

Louis provided a review of the Valley Advantage program. Kelly provided instructor insights because she is one of the instructors who developed and taught the course. The group considered the benefits of such a program directed at Health Careers majors.

The state provided funding for this program has lapsed. Given that the committee felt there could be some benefit to students we agreed to invite Tracy Labadie to our next meeting to discuss potential sources of funding.
