

Collaborations in Pre-Health Care Educations Committee Meeting

Friday, November 22, 2024

Present: Annette Chapman, Kelly Digby, Moriya Hurst, Amy Longcore, Dee Loucks, Lauren Prister, Ashleigh Quinones, Billy Reynolds, Cynthia Schauer, Theresa Shane, Kristi Tullis

1. The group met with Annette Chapman to discuss potential funding sources for a program similar to Valley Advantage that targets health careers students
2. A discussion regarding the learning needs of international students concluded the instructors need more support to meet the needs of this growing population of students. The International Student Coordinator will be invited to the next meeting to discuss possible support options.
3. The committee discussed the difficulty students were having in some pre-req courses. We will invite Denise Lindsley to a meeting to discuss a pilot program for embedding tutors in classes.
4. The group discussed the Networking event scheduled for February 26 at 5:30.

Meeting adjourned.
