1. The group discussed ways to support student learning with Denise. Our strategies included:
 - a. Embedded tutor model (needs participation requirement)
 - b. Use of Learning Center for office hours
 - c. Design of a Canvas module with videos from students on how they study
 - d. Support the Learning Center Open House event by encouraging students to come to the event and share their study ideas (Wednesday, Jan. 29 from 10 am – 5 pm)
 - e. Utilize Mike Labs who is a study skills tutor
 - f. Invite tutors to sit in classes they support

2. Discussion with our Health Careers Partners:
 - a. Students need to be advised early and often to avoid drug use because there will be random screens in the professional programs

 - b. Concerns about program expectations
 - i. Grading scale changes in pre-reqs will not be evident in the programs until next year
 - ii. Encourage students to consider Honors Program
 - iii. Hold student accountable for following rules and program expectations.
Consider reading the [Student Handbook for Health Careers](#)

 - c. Networking Event (Feb. 26, 2025; 5:30 PM – 7:30 PM).
 - i. Airmark will not cater after 3 PM so we will have a catering service
 - ii. Invites will go out next week
 - iii. Networking
