

## Collaborations in Pre-Health Care Pre-requisites Committee

### Meeting Agenda for December 3, 2021

1. Discuss plans for curriculum mapping
2. Academic Integrity work group discussion
3. Common read discussion
4. Next meeting Friday February 4 at 11:30 AM

### Meeting Minutes:

Present: Ashleigh Colpetsir, Taylor Birkholz, Dee Loucks, Chris Pruis, Cynthia Schauer, Joanna Pozzuto

Absent: Omer Hadzic and Kelly Digby

1. Jo described the work of the Academic Integrity working group. There were general agreement regarding the decline of academic integrity especially for students enrolled in online courses. The following items were proposed:
  - a. Discussion with health careers students
  - b. Journal club discussion around academic dishonesty?
  - c. Anonymous survey
  - d. The testing lab services need to be expanded
  - e. KVCC should expand in-person testing services.

The group will continue to identify other ways to combat the issue.

2. The group discussed the curriculum mapping project. It was agreed that all committee members would access the document and add information from their area for each. We agreed to complete this task before our next meeting.
3. We are holding a Final Exam Science Study group in the library at TTC on Wednesday 12.8 from noon -2.
4. Next meeting is February 4 at 11:30 AM. We will invite Dan Mandoux and Kelly Reed.
