DEI professional development opportunities encouraged. If members see any opportunities please share/propose as there is currently funding for such development. A democratic voting process will be used to consider.

Rebecca introduced SLACK to the group. We will be using the platform to share ideas and communicate, on a trial basis. We will monitor ease of use and member thoughts on the platform during the next meeting. Thank you Rebecca.

LaSonda, Megan, and Regina agreed to take the lead on the land acknowledge project. Our first official sub-committee work. Thank you LaSonda, Megan and Regina.

KVCC is exploring a community collaborative approach to providing training/workshop options for all professions impacted by the state of Michigan's mandate to complete implicit bias training. All professions licensed or registered under the Michigan Public HealthCode, except for veterinary Medicine, are required to complete an implicit bias training annually.

- Rebecca mentioned interest in exploring the prospect of adding and/or assisting in adding a human trafficking component to the annual training.

March is women's history month. Rebecca has a presentation to share, preferably as part of a larger event if available. I'll investigating the availability of larger events as the college has celebrated Women's History Month in the past; a practice that was gaining momentum prior to the pandemic. Thank you Rebecca.

April is Sexual Violence Awareness Month. Rebecca and Coty are exploring program possibilities. Thank your Rebeca and Coty.

Megan encouraged everyone to explore Hollaback a free anti-harassment training experience. Thank you Megan.

Trice will share a copy of the 2020 – 2022 DEI strategic plan for everyone to review.
