

11-18-16

Attending: Ej Bast, Deb Miller, Deb Coates, Paige Egan, Dennis Bertch, , Erick Martin, Kevin Dockerty, Jim Taylor, Billy Reynolds, ?, ?

Almost 280 students in Early College

Changes in FERPA—schools no longer need sign off; facilitates more conversation from counselors to KVCC counselors; Deb C attends Kalamazoo Principals and Guidance Counselor meetings; KVCC counselors are steering the students to classes for Programs of Study; High School counselors are responsible for MMC courses and class schedules to determine the block of time and work with Lisa Bartell; the Pathway Advisor will take on the advising

Applications will go out to 9th graders; Lisa Bartell and Deb C will be going out to high school parent meetings; possible Open House for 9th and 10th graders and mandatory orientation for incoming 11th grade students; College Success Strategies course in 10th grade at each high school

Winter of 10th grade year students meets with Pathway advisor to start the scheduling

Summer Camp-two weeks planned; planning for improvements in activities

Articulation-EFE courses with grades of B or better for college credit

Meet with EFE faculty and KVCC faculty get together to discuss the alignment every three years or annually if major course changes—February 2017 meeting

Discussion about high school dual enrollment courses; student enrollment middle college vs dual enrollment; discussion about 15-16 and 16-17 courses on high school campuses

1206 sections –less than .5% of the course sections are taught on the high school campus

MOU2 schools: Schoolcraft, Bangor, Comstock evening

Reason for denial of KVCC courses taught on high school campuses—nothing higher than 100 level;

Request for list of schools who have requested courses on their campus

K Christian—Eng 110 content determined not right alignment for the school—college course is not prescriptive but has broad spectrum;

Hackett

Four Topic Points

Recommend as core for Guided Pathways; Billy and department will look into it

Discussion ensued on MOU2 and MOU3

MOU3-everone is opposed to it from ALC
