I. Welcome

II. Minutes of the January 13, 2023 meeting were approved as presented; motion by A. Cederberg, seconded by E. Dominianni.

III. IR Update (D. Mondoux)

- Numbers for total students have moved in the right direction in the last week
 - i. These will be the numbers of the end of the semester, or within half a point
- New tables provided: All student characteristics and students aged 25 and older
 - i. Helps us to get a sense over time of how long it has been since a student gets out of high school and who is coming to Kalamazoo Valley.
 - 1. Will get more impactful in the fall semester
 - ii. Will continue to add more tables over time and the team is open to suggestions.
- Reconnect numbers shown in returning not prior
 - i. very different from this time last year
- Outlier: A new from high school student in the category 'aged 25 and older'
 - i. will be checking for an error in the banner data
- FTIAC students are up for this semester
 - i. We have good leading indicators that recurring numbers should be up next semester
 - ii. New chart shows how long since they graduated and typically looks back to the prior June.
 - iii. Most FTIAC students are straight out of high school
- Highschool data in Banner being refined and redefined
 - i. if the first summer semester starts before the high school graduation date, but after classes end those students will no longer be considered high school students in that first semester.

IV. Marketing Update (E. Dominianni)

- Canvas notes provided in the Enrollment-Retention Committee packet
 - These are the bullets being sent to the faculty
 - If you see any missing please contact Erin D. and she will update

Enrollment Retention Committee Minutes

February 10, 2023

10 – 11:30 a.m.

- Hosting 2 luncheons in march
 - 70 people from different community organizations to see how they can support us in serving older students
 - looking for people to invite please send Erin D. any names
- When requesting a project in WorkZone remember the option to add notices on the TVs on campus
 - Top clipped items from those Campus Notices: nursing sessions, chili cook-off, and q r code
- Push out Merit scholarships luncheon
 - 25 applicants so far, have money for 75 applicants
- If you think of anything that would be good for kvfocus let Marketing know

V. Chatbot Report (CC) – Incorrectly left in the agenda from the January meeting

VI. One Stop Update/Pay Station (A. Cederberg)

- Information will be given out at ALC in march and Admin plus on Monday
- Working on a new initiative: pay station to be moved into the financial aid offices
 - i. Combine and become the Student Financial Services unit
 - ii. Aggressive hopeful timeline on getting it open on April 1
- More info to come

VII. Enrollment Management Code of Ethics (A. Cederberg)

- ENROLLMENT MANAGEMENT CODE OF ETHICS

The Kalamazoo Valley Enrollment Management department is committed to recruiting and serving prospective students using ethical practices in guidance and alignment with the National Association for College Admissions Counselors' (NACAC) "Guide to Ethical Practice in College Admission," while also supporting the mission and non-discrimination policy of Kalamazoo Valley Community College.

 - i. This can be found in the Enrollment retention strategic plan
 - ii. Main Point: Don't Accept Money for enrollment, do not target veterans
 - iii. This information is requested of us from multiple governmental agencies: HLC, homeland, defense, Veterans Affairs
 - 1. Allison will share with Alisha updates on the requirements for HLC
- Discussion for any changes to be made to the wording
 - i. Might need to do something to insure it is a part of onboarding for anyone who deals with students and new students
 - ii. Making a check and balance
 - 1. outline it more thoroughly and make this mandatory as part of onboarding for anyone in recruitment
 - 2. make sure we are using it and following it not just having a policy

Enrollment Retention Committee Minutes

February 10, 2023

10 – 11:30 a.m.

- Next meeting updating the master plan and would be a good point to add to his as needed

VIII. Equity in Retention Academy (N. Bergan)

- Potentially assembling a small group to go over an initiative
 - Feb 22– From the Website: the academy is through the gardener institute requires a small team to work together to complete their own internal review
 - Will use IDEPS data to look at the outcomes for our students
 - Peer review with other organizations
 - Other schools expressed to Nkenge that they received a lot out of participation in this previously
 - If we are interested in this as a college – express to nk
 - Evan: This would be a good way to come at retention from an equity standpoint to work with a place that has the foundation and structure to help us do this is a good thing and would be in support of the idea
- 2 cohorts available to participate in
 - April paperwork due date for the May 1 – June 3 cohort (preferred time frame)
- At least 5 people must participate in the team
- Nkenge will share the link to Evan who will distribute to go the committee members

IX. Other (E. Pauken)

- Resource from MCCA
 - The MCCA is hosting a webinar, Addressing the Enrollment Crisis at Michigan Community Colleges on [Wednesday, February 22, 2023 from 10:30 AM – Noon](#) in partnership with the Michigan College Access Network and the Office of Sixty by 30. The session will review the CEPI data, share college access resources from MCAN, student success resources from the Michigan Center for Student Success, and financial aid resources from the Office of Sixty by 30. Attendees will walk away with resources to reengage the class of 2022 and get a jump start on the class of 2023. College staff including administration, enrollment management, academic affairs, and student services will benefit from the session. Please [register](#) for the webinar. The recording and slides will be available after the session.
 - <https://zoom.us/j/98758838898?pwd=aDNtdmFQdmZ0NHE4aGtOUGo5Zm5UUT09>
 - How the group framed the data for the workshop will be about the enrollment crisis
 - Interesting stats
 - Be aware and things coming down the pipe in enrollment
 - Yield of high school students into community college is the lowest ever
 - they don't want to go to their community colleges anymore
- A. Cederberg: There is a Proposal for reconnect student age to drop to 21
 - would mis 2020-2022 school years entirely (the most under supported group in terms of scholarship opportunities)
 - Could Request the board of trustees to re-appropriate funds to help those cohorts as they fall between most scholarship opportunities

Enrollment Retention Committee Minutes

February 10, 2023

10 – 11:30 a.m.

- C. Almeda: Valley future educators academy is doing a visit/lunch on MARCH 7th with 3 high schools: portage, KRESA at gull lake, and Loy Norrix
 - Visit for students to see our programs

The 24 students who are accepted into Kalamazoo Valley's paramedic program this fall will receive complete scholarships that will cover tuition and fees, books, software and associated clinical costs through the completion of the program (graduating in August 2024).

That's thanks to a \$192,000 award Kalamazoo Valley Community College received from the 2023 EMS Workforce Grant administered through the Michigan Department of Health and Human Services.

To qualify for the paramedic program grant, students must apply to and be accepted into the paramedic program for Fall 2023. The Health Careers Online Application will be available from April 1 - 15. Kalamazoo Valley will award the grant to the 24 applicants accepted into the fall cohort.

Contact EMS Program Director Daniel Benard at 269.548.3231 or the Health Careers Admissions Coordinator at healthcareers@kvcc.edu for more information.
