April 14, 2023

10 – 11:30 a.m.

- I. Welcome
- II. Approval of March meeting minutes
- III. IR Update (DM)
- IV. Marketing Update (ED/LD)
 - a. Canvas announcements
- V. Upcoming events (AC)
- VI. Student Financial Services Update (AC)
- VII. Committee Structure
- VIII. [Strategic Enrollment and Retention Plan](#) (EP)

<https://zoom.us/j/98758838898?pwd=aDNtdmFQdmZ0NHE4aGtOUGo5Zm5UUT09>

Enrollment Retention Committee

March 10, 2023

10 – 11:30 a.m.

Present: E. Pauken, N. Bergan, A. Cederberg, A. Moore, K. Denman, M. Dunneback, C. Gearig, D. Mondoux, J. Selmon, A. Scheffler-Martin, E. Dominianni, S. Hubbell, C. Cockerel, C. Ross, A. Fontaine, A Marsh-Peek, C. Taylor, L. Depta

Absent: M. Morales, L. Thomas, M. Adams, E. Bell, S. Herrmann, T. Labadie, J. LaPenna, T. Welsh, E. Shufro, D. Coates, C. Colella, P. Egan, M. Thompson, Sherry Postula, C. Almeda

- I. Welcome – E. Pauken
- II. Approval of February meeting minutes: Motion by A. Cederberg, Seconded by E. Dominianni
- III. Strategic Enrollment and Retention Plan -E. Pauken
 - a. GROUP 1 = aligned outcomes 1-2; GROUP 2 = 3-4; GROUP 3 = 5-6
 - b. Task #1: Review current items and recommend, based on notes and progress monitoring, the objectives that should be: (A) Retained (B) Re-assessed for current need/purpose/relevance or (C) Removed/Discontinued due to objective having been carried out fully
 - c. Task #2: What is missing from the objectives/strategies and should be considered for the next iteration of the plan, with consideration to the “Aligned Outcomes” currently defined?
 - d. Notes/Recommendations captured to shared spread sheet
 - e. Plan that will take multiple years
 - i. break outs to look at each of the elements laid out as objectives
 - ii. see what needs to remain as a part of the plan
 - iii. what just needs to be monitored going forward
 - iv. what needs to be restructured in the plan.
 - v. what has not been addressed but no longer needs to be addressed (ie covid measures)
 - vi. brain storming on outcomes that were previously high level than need to be broken down more to smaller, or add on to existing plan
 - f. Handouts provided
 - i. <https://docs.google.com/spreadsheets/d/1Rj95HXoENmwa9LZY4AmScNxaa-VgOHZjyltI5Zzf1ZA/edit#gid=1848512794>
 - ii. <https://drive.google.com/file/d/1VDxi-0JvssDHNL0HcV0dDbTQuWwFbbBW/view>
 - g. Recombined from small groups
 - i. Some that what is in the plan is not really needed
 1. Changes and suggested have been added to the spreadsheet
 2. Add to spread sheet column of who the process owner is, to know who would be the subject matter expert
 3. Evan and Alisha meeting between meetings to go over best plan of attack
 - a. Open to anyone adding information to this spreadsheet as needed outside of committee meeting times
 4. Goals

Enrollment Retention Committee

March 10, 2023

10 – 11:30 a.m.

- a. New plan in place for Fall 2023 semester
 - b. Looking to what need to be done in the 2023 - 2024 academic year
 - c. How to increase students who are taking some classes as high school students
 - i. talk about programs options needs
- IV. Enrollment right-sizing discussion -A. Cederberg
- a. Where enrollment is now and where we should be heading?
 - b. In terms of programs, each program/area of the college should start talking about how many students are right for you
 - i. are you at capacity?
 - c. There are levels of employees needed to maintain the same number of students at optimal operations, and a different number needed to grow the number of students that can be handled
 - i. How many seats in a program now, how many do we need to have available based on demand?
 1. How to get those numbers
 2. How to target those programs
 - ii. Some programs already monitor this, others would benefit from starting to
 1. Nursing actively recruits to fill their numbers, are we in welding? Brewing?
 - a. Need to connect with and get faculty included in recruitment
 2. Are we plateaued?
 - a. how far are we from the next plateau?
 - iii. How do we get at this at the academic program level?
 1. Great questions for the program review
 - iv. First cohort from last adjustments starting this year, dan pulled together numbers
 1. Need to look into who declared the program and who is actually talking those classes?
 2. Forecasting data, how many recruits to maintain numbers
 - v. Transfer programs are very different
 1. Would be harder to ask these questions, but can be done
 - d. Student services side questions to ask
 - i. Are you already at your capacity growing will give bad customer services?
 - ii. Are we offering enough placement testing?
 - iii. Is admin able to do paperwork?
 - iv. Is Finance able to process in a timely manner?
 - v. Able to know how many they can grow, stretch and when more coverage is needed to meet needs
 - vi. Knowing best classroom sizes based on research
 1. for English composition 15-18 now doing 24, discuss ways to get it down to meet the range, contractual agreement issues
 - vii. Class numbers to be able to serve them in a manner that retains them
 - viii. On career and tech, what is the demand?
 1. Are we training way more than the jobs available?
 - a. Nursing – demand is high, what ever we spend there will be jobs

Enrollment Retention Committee

March 10, 2023

10 – 11:30 a.m.

b. Welding is full – need from the program as well as need for classes from other programs and credentialing

ix. Retention and completion

1. we know certain areas where people develop skills and get wooed away before completing their degree this needs to be kept in mind
2. if we can't accommodate more students don't over advertise and recruit.
3. Different discussion needed for full programs than for those we need to recruit

x. Trades

1. Need more growth trades
 - a. Grow space and programing
2. Vocational school – be upfront where we are with the programs
3. Team needs to know where we are at with programs to best apply work
 - a. Have to keep in mind the different needs of the different programs
4. Credentialed but not degreed throws off the numbers

xi. Student needs

1. lots of students coming with new needs not seen years before
2. Increased level of support needed to maintain students has grown needs to be considered as well
 - a. Food insecurities, transportation
3. Tie this conversation to the program review, once it has taken place those programs need to have a presentation meeting with advising

xii. Both sides need to be aware

1. for next year this will be built in advisors will be invited to these conversations

xiii. Next step?

1. get an idea of plans and degree works where student needs, availability and class scheduling match up, when a class isn't happening get that info to advisors
2. Create a good place to capture student goals – there is not one now
 - a. Some people want to take classes from a program but declare for a different program instead
 - i. Effects financial aid
 - b. Create pool to keep contracting for people who only take a couple classes and then go out in the world, to come for other things
3. Articulation agreements need to be made public
4. Individually think on what can your office/department handle, are you right sided, room for growth, have a need for people already

V. IR Update- D. Mondoux

a. Late reporting

- i. We do now have enrollment report for this week, had an issue discovered with summer enrollment due to code change, and that created some issues with contact hour measurement

Enrollment Retention Committee

March 10, 2023

10 – 11:30 a.m.

- b. Down in number from the first week of the semester
 - i. Reminder: the first week numbers are not a great indicator, for best we need to look at after a couple to see accurate trends
- c. Did deal with issue with high school aged 25 and older, was corrected
- d. We have summer outreach campaigns planned
 - i. 9,000 students that had transferred elsewhere who have expressed interest in returning or transferring to KVCC, will be doing A HARD mailing
 - ii. Guest summer semesters
 - 1. Previous years this option help to bolster summer semester numbers
 - 2. A lot of universities are offering summer classes to keep their students
 - iii. Lot of classes list faculty as staff and students have expressed they wait to see which faculty is listed instead of the staff designation
 - 1. Requirement that Faculty be listed is not the required until classes start, but we try to have it listed earlier
- e. Other campaign
 - i. reconnect students
 - 1. reaching out to those who will lose there scholarship is not taking summer classes
 - a. List of who will be at that point will be pulled and start communicating with those here to reminder they need to set up for fall
 - b. Paper letters and calls to register by a certain point
 - i. If students are not in classes is it unlikely they would be checking valley email
 - ii. Multiple communications are attempted to make sure students keep eligible
 - ii. Reconnect money growing in awarded amounts given
 - iii. Advising counseling get list to help follow up with students
 - iv. First year cohort will be going into third year need to stay up on there

		2016	2017	2018	2019	4-year Total
Graduation Rate 150% of Normal Time to Completion						
MEN	Cohort	397	363	381	366	1,507
	Completers within 150%	71	66	68	78	283
	Transfer-out students	71	60	69	56	256
	Grad Rate	17.9%	18.2%	17.8%	21.3%	18.8%
	Grad + Transfer Rate	35.8%	34.7%	36.0%	36.6%	35.8%
WOMEN	Cohort	386	392	425	397	1600
	Completers within 150%	88	90	98	94	370
	Transfer-out students	82	68	87	60	297
	Grad Rate	22.8%	23.0%	23.1%	23.7%	23.1%
	Grad + Transfer Rate	44.0%	40.3%	43.5%	38.8%	41.7%
TOTAL	Cohort	783	755	806	763	3107
	Completers within 150%	159	156	166	172	653
	Transfer-out students	153	128	156	116	553
	Grad Rate	20.3%	20.7%	20.6%	22.5%	21.0%
	Grad + Transfer Rate	39.8%	37.6%	40.0%	37.7%	38.8%
	Grad Rate 200%	27.3%	22.1%	25.2%		

VI. Graduation rate data

- i. Normal time to completion table that breaks out our graduation rate

Enrollment Retention Committee

March 10, 2023

10 – 11:30 a.m.

1. 20 years ago, in the 9-11% graduation rate
 2. now 21.0% - trend across time is a major positive
 3. For the last four over 20% even with COVID
 4. Difference between men and women substantial
- ii. Transfer rate
1. dip in 2019 COVID effect on numbers of students who did not complete but also did not transfer
- iii. four-year measure dip from the 2017 cohort up due to COVID but is bouncing back in 2018 cohort

2/3/23, 3:11 PM

IPEDS Data Collection System

Institution: Kalamazoo Valley Community College (170541)

User ID: P1705411

Summary

Outcome Measures Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2023.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@ed.gov.

Cohort	4-year Award Rate	6-year Award Rate	8-year Award Rate	Still enrolled at your institution after 8 years	Did not receive an award and subsequently enrolled at another institution
First-time entering					
Full-time	20%	27%	29%	3%	27%
Pell Grant recipients	15%	22%	24%	4%	24%
Non-Pell Grant recipients	27%	34%	36%	2%	31%
Part-time	8%	11%	12%	3%	22%
Pell Grant recipients	6%	8%	10%	4%	18%
Non-Pell Grant recipients	10%	13%	14%	3%	27%
Non-First-time entering					
Full-time	18%	21%	21%	2%	42%
Pell Grant recipients	15%	18%	18%	2%	39%
Non-Pell Grant recipients	21%	25%	26%	2%	46%
Part-time	7%	10%	11%	1%	53%
Pell Grant recipients	9%	12%	13%	2%	32%
Non-Pell Grant recipients	6%	9%	10%	1%	63%
Total Entering					
Full-time	13%	17%	18%	3%	35%
Pell Grant recipients	11%	15%	17%	3%	26%
Non-Pell Grant recipients	14%	18%	19%	2%	42%

- b. Outcome measures data for everyone not just fall cohort
- i. tracks them over a longer stretch of time
 - ii. Chart not divided by male/female students like previous chart but full/part students and transfer students, Pell Grant/non-Pell Grant Students
 - iii. Full time stronger % than Part time
 1. Starting full time and staying has a big effect on graduation rate, as well as Pell Grant Vs non-Pell Grant Students
 - a. Non-Pell Grant first time not transfer students is the only place that do not have same rate as Pell Grant Students do in all other areas
- c. Public information
- i. This comes from IPEDS information
- d. Marketing Update – E. Dominianni
- i. Canvas announcements
 1. Please look at the canvas notes, April has a lot of dates
 2. Anything missing please let marketing know

Enrollment Retention Committee

March 10, 2023

10 – 11:30 a.m.

- a. Request for a FAFSA reminder to students to get it in for next fall and that we are here to help
 - i. New video reminder for TV's on campus
 - ii. In next KVFocus to be released on March 15th

Kalamazoo Valley Community College

Mon, Apr 17, 2023 2:44 pm

Scheduled Post [Community College Month 2023](#)

This Community College month, Kalamazoo Valley is proud to celebrate the huge impact our college has on students and the community.

But we couldn't make such an impact without people like Janet and Scott Nykaza, who donated money to the KVCC Foundation to help fund student scholarships.

"By providing financial support we can give students the time and space to succeed," the Nykazas said. "Their success at Kalamazoo Valley could change the trajectory of their lives; we want to be a tiny part of unlocking that student's full potential."

🌍 Celebrate Earth Day with Kalamazoo Valley and our community on Saturday, April 22!

There are several opportunities to get involved.

♻️ EPS (Styrofoam) Recycling at Mayor's Riverfront Park; EPS and Electronics recycling at TTC at 10 a.m. - 1 p.m. These events are in partnership with **The City of Kalamazoo, Michigan** and **Schupan**.

🌍 Earth Day Community Celebrations at Upjohn Park, Woods Lake Park and Davis Park. Kalamazoo Valley will be at Upjohn Park and offering a public tour of the Food Innovation Center at noon.

🌍 On Earth Day and every day, stop by for earth science-based kids and family activities all day at the **Kalamazoo Valley Museum**, such as viewing a planetarium show and exploring the outdoor rain garden exhibits in front of the museum. You can also visit <http://www.kalamazoomuseum.org/> for related information on the rain gardens including virtual exploration.

🌿 Our sciences faculty and their students are celebrating with a garlic mustard pull at our main campus earlier in April. Garlic mustard is invasive and hand-pulling it before it flowers and goes to seed is the best way to slow its spread.

Needing childcare or transportation shouldn't stop you from completing your education or getting a job!

If you're experiencing these barriers, you may be able to take advantage of Mi-LEAP funding to pay for training, credit programs, and receive supportive services such as transportation, childcare and other assistance that may lead to job placement.

To learn more, reach out to Adam Westhouse, Program Navigator at awesthouse@kvcc.edu.

 Celebrate Earth Day with Kalamazoo Valley and our community on Saturday, April 22!

There are several opportunities to get involved.

 EPS (Styrofoam) Recycling at Mayor's Riverfront Park; EPS and Electronics recycling at TTC at 10 a.m. - 1 p.m. These events are in partnership with the City of Kalamazoo, Michigan and Schupan.

 Earth Day Community Celebrations at Upjohn Park, Woods Lake Park and Davis Park. Kalamazoo Valley will be at Upjohn Park and offering a public tour of the Food Innovation Center at noon.

 On Earth Day and every day, stop by for earth science-based kids and family activities all day at the Kalamazoo Valley Museum, such as viewing a planetarium show and exploring the outdoor rain garden exhibits in front of the museum. You can also visit the link in our bio for related information on the rain gardens including virtual exploration.

 Our sciences faculty and their students are celebrating with a garlic mustard pull at our main campus earlier in April. Garlic mustard is invasive and hand-pulling it before it flowers and goes to seed is the best way to slow its spread.

Jim Williams, a supervisor at Eimo Technologies, likes to hire Kalamazoo Valley graduates.

"When I am looking for engineers, machinists and office staff, my first call is to Kalamazoo Valley," Williams says. "I know their students are trained to run the high-end equipment at my shop."

Kalamazoo Valley provides quality education for our students, who go on to make a positive impact on our community. That's why we're proud to celebrate Community College Month this month!

Good mental health is an important aspect of everyone's life. You can learn about local resources promoting mental health and well-being at the **Kalamazoo Valley Museum's** Mental Health Fair.

Resources including **Gryphon Place, Western Michigan University** Therapy Dog Clinic and Disability Network Southwest Michigan will be there.

The free event is Saturday, May 20, from 1 - 3 p.m. on the museum's first floor and the Mary Jane Stryker Theater. The event is tied to the goals of the museum's "Mental Health: Mind Matters" exhibit.

The Kalamazoo Valley Museum is operated by Kalamazoo Valley Community College and is governed by its Board of Trustees.
