Other:

Frankie Hand would like to assist Food Share with recipe and video publishing. It was suggested that she work with Amy Brandt.

Survey:

Wait till fall to survey students about kitchen needs.

When are we aiming to give out equipment to students?

It was decided to go forward with sending out a survey the 3rd and 4th Food Share sign up of the semester to send out a survey to students for kitchen needs. We will analyze the list and the items will be included in the Food Share boxes near a Holiday.

The survey will be added to the 3rd or 4th Food share as a form, each semester. Erin will reach out to Evan about providing this in Target X. Nothing will be promised, we are just looking for suggestions from the students as to what their needs are.

Updates:

Web site will be updated with all the dates for fall and winter semester Food Shares.

Coty, Erin, and Hristina meet to discuss our model of Food Share and how it works at KVCC. The ultimate goal is to share the information at a conference to inform and help other institutions.

Erin updated the Food Share information sheet to give to students and others who ask what Food Share is. She will send to all committee members.
