

## NSO Committee Meeting Minutes 9/6/17

### ***Updates:***

- 1478 was the number of students we know attended NSO on campus, do not have numbers for online orientations yet.
- Billy & Coty met for liberal arts pathway orientations for fall
- October & November NSO's will hold 40 students, December will hold 60 students
- Week after Thanksgiving break, looking to have a Super Tuesday event.

### ***Goals:***

- Take a close look @ the material we have for NSO's
  - Folder Material
  - Beginning Presentation
  - Your Student Success → More intentional
  - Counselor Presentation needs to be updated
- Possibly get students pre-registered for FYE classes? Can we “ghost” those classes? Is this feasible to do? TRS 104 is the major class to look at.
- Get a bank of computers for students right after they get done with the counselors to give them the option of staying & completing registration 100%
  - April → July...extend the last counselor session another 30mins for others in the beginning 2 sessions to go to and finish registering for classes.

### ***Subcommittees:***

- *Folders:* Megan, Paige & Colleen
- *Get Started:* Ezra & Laura
- *Your College Success:* Jenny
- *Counselor Presentation:* Natalie
