

## **KVCC Public Safety**

### **Advisory Committee Minutes**

**9/18/15**

- Capt. Don Benthin, Officer Dan Siwula, Security Officers Jake Toth and Nate Roberts.
- Downtown safety committee has been formed with Zoetis, Bronson, WMU Med, MPI and Greenleaf Inc. The group meets quarterly to discuss resources and issues.
- Milestone tracking views have been created to work toward live tracking through the college.
- Public Safety will be conducting small group Active Shooter training. We are beginning with Student Success. The training will consist of more advanced responses and short scenarios. Discussed presenting part of this training during seminar days.
- BHLC update-The new campus is coming along. Public Safety has been monitoring the sites and has been working with IT on camera systems and placement. Parking was brought up as a concern and discussion of whether escorts would be available if parking was not close.
- Traffic enforcement-There has been four accidents, two with injuries, in the last week involving disregarding stop signs. Public Safety has stepped up traffic violation stops.
- Public Safety was selected to participate in a pilot Budget Review for support services. Public Safety came out very well compared to the other colleges used in the benchmarks.
- The need to add an ACC and BHLC member to the committee was discussed.
- Next Meeting Date and Time were discussed to try and find a time that works for all. A solution was not found. We will work on the next date.
