### **Advisory Committee Minutes**

**4/15/16 1600hrs**

Members Present: Verne Mills, Gloria Barton-Beery, Jeff Shouldice, Megan O'Kon, Jim Taylor, Ezra Bell, Rick Ives, Amy Louallen, Russ Panico, Judy Rose

Members Absent: Terry Sibberson

#### **Discussion Items**

- New employees-Rick gave an update
- Report on Citizen Response to Active Shooter-270 employees have been trained. Public Safety is looking at a shorter refresher course
- BHLC
  - Staffing and coverage
  - Working on emergency procedure training and alarms
- Rave Alerts
  - Discussion of appropriate use. Committee recommended they be used as intended by Clery and that Public Safety use discretion if Rave should be used in an incident (mass shootings) in community.
  - Committee input was that it was better to put something out than not.
- Rick advised the media carts have been repaired
- Gloria inquired about safety training on emergency procedures for staff and safety awareness training for students and staff.
  - Concerns about shelter areas for tornados and shooters
  - Public Safety will be conducting emergency procedure training and will put together a safety awareness training and a crime prevention handout.

- Rick also advised that escorts are available to staff and students
- Megan requested self-defense training similar to seminar day training
- Megan suggested the panhandling handouts be available for students
- Jeff inquired about trauma kits (dressings) to be located in key areas. Gloria and Jim agreed. Rick advised the college can't request or suggest that staff or students give medical care or take extra risks during a shooter. Rick will look into a kit for Allied Health areas since that staff is trained and could elect to use them.
- Judy inquired about an EOC office in the Groves. Rick advised this was discussed but abandoned due to cost and poor radio reception
- Judy inquired about securing the Groves office. Rick advised this is a philosophical KVCC wide question, past Public Safety's area, and goes contrary to an open campus.
