

## **KVCC Public Safety**

### **Advisory Committee**

**10/14/16**

- Introductions
- Employee Update
  - New Zuniga, Van Lopik, Siwula, Pittelkow, Zapata, Christiansen
  - Left-Descheneau (ret) Perez (Wayland) Toth (Sturgis)
- Calls for service-401 in September  
Discussed two unarmed robbery arrests from Feb case, issues with juveniles @ ACC, bike larcenies at ACC. 2700 cases to ytd.
- SOR's were discussed. Dave VanLopik is handling them due to his experience handling them with MSP. Trying to find a way to identify offenders that are attending but not registering.
- BHLC
  - Emergency procedure training has been conducted
  - Need to schedule Active Shooter for Culinary and Food Inno. John Korycki will let us know when they have a good time. Waiting for Allied Health to let us know when they want to go over their areas reference active shooters.
  - All shelters have been marked. Emergency signage up
- Active shooter Training-Refresher course. Should be about one hour and will be rolling out soon.
- Clery report has been completed and the link is up. Waiting on the paper copies to be printed. Nothing out of the ordinary on the report.
- Discussion of KCSD Agreement to deputize KVCC officers.
- Training-CIT, Clery, Blue Courage, CPR recert, yearly quals, range training, Policing in the 21<sup>st</sup> Century, Legal Update, EVO, Report Writing, CSC Investigations
- Capt. Benthin and Kim Purlee will be attending RAD training so this program can be started up again.
- Discussed KVCC officers aiding with the mentoring
- Other-Megan O'Kon requested panic alarms be placed on KVM computers
  - Gloria Barton-Beery was concerned about a pothole where employees walk from Bronson parking to CAH. Capt. Benthin will fix it by end of next week.

- Verne Mills brought up fire alarm and it could not be heard in back room of 3110. He was advised public safety has already requested a quote to try and address that issue. It might have to wait until next budget year.
- Jim Taylor asked about alarms in chem labs. Rick advised he felt they were already budgeted to be put in during Christmas break. Rick will confirm.
- It was asked whether the alarm messages could be hooked into the Rave system. Rick will look into it.
- Next Meeting Date and Time **April 14, 2016 1:00 PM**
